

PREPARED BY

IYACEP

PODCAST FOR THE ENVIRONMENT

Supported by

University	Research Centres	Research Institutes	Research Group
University of Oxford	Interdisciplinary Centre for Conservation Science	Smith School of Enterprise and the Environment	Biodiversity, Ecosystems And Conservation
		The Environmental Change Institute	Clean Energy Group
		Transport Studies Unit	Climate Systems And Policy
			Community Ecology Lab
			Ecological And Evolutionary Dynamics Lab
			Energy And Environmental Informatics
			Energy And Sustainable Chemistry
			Environmental Fluid Mechanics
			Environmental Interactions

			Marine Ecology And Conservation Research Group
			Natural Governance Programme
			Nature-Based Solutions Initiative
			Ocean Research And Conservation Group
			Oceanography, Climate And Palaeoenvironment
			Polar Ecology And Conservation Group
			Resources And Environment
			Sustainable Water Process Engineering
			Technological Life, Enviroments, Bodies, Mobilities
			The Energy And Power Group
University of Cambridge	Cambridge Centre for Climate Change Mitigation Research	Cambridge Institute for Sustainability Leadership	Fluids and Environment
	Cambridge Centre for Environment, Energy and Natural Resource Governance	Conservation Research Institute	Geotechnical and Environmental Research Group
	Cambridge Centre for Smart Infrastructure and Construction	Scott Polar Research Institute	Sustainable Reaction Engineering
	Cambridge Global Food Security	The Cambridge-INET Institute	Winton Programme for the Physics of Sustainability
	Centre for Sustainable Development		

	EPSRC Centre for Doctoral Training in Future Infrastructure and Built Environment		
	Laing O'Rourke Centre for Construction Engineering and Technology		
	The Martin Centre for Architectural and Urban Studies		
Imperial College London	Centre for Climate Change Innovation	Grantham Institute – Climate Change and the Environment	Earth Observation Network
	Centre for Environmental Policy	Sustainable Gas Institute	Ecosystems and the environment
	The MRC Centre for Environment and Health		Environmental and Water Resource Engineering
			Environmental Control and Waste Management
			Future Materials Group
			Resilient and Sustainable Biorenewable Systems (ReSBio)
			Sustainability through Life Cycle Approaches
UCL	Centre for Law and Environment	Institute for Digital Innovation in the Built Environment	Coastal & Estuarine Research Unit
	Centre for Resource Efficiency and the Environment (CREE)	UCL Energy Institute	Sustainable Cities
	Centre for Urban Sustainability and Resilience	UCL Institute for Environmental Design and Engineering	The Bartlett Development Planning Unit

	Environmental Change Research Centre	UCL Institute for Global Prosperity	
	UCL Royal Academy of Engineering, Centre of Excellence in Sustainable Building Design	UCL Institute for Sustainable Heritage	
		UCL Institute for Sustainable Resources	
LSE	Centre for Climate Change Economics and Polic	The Grantham Research Institute on Climate Change and the Environment	LSE Cities
University of Edinburgh	Center for Research on Environment, Society and Health		Energy, Environmental and Sustainable Chemistry
	Edinburgh Center for Carbon Innovation		
	National Center for Earth Observation		
	Scottish Carbon Capture and Storage		
	Scottish Universities Environmental Research Center		
	UK Biochar Research Center		
	UK Carbon Capture and Storage Research Center		
Kings College London			Center for Environment and Health
			Earth Observation & Environmental Sensing Hub
			Environment, Energy and Sustainability

			Environmental Security Research Group
			Integrated Research in Risk & Resilience
			King's Climate Hub
			King's Water Hub
			Leverhulme Center for Wildfires, Environment and Society
University of Manchester		Energy Systems	Sustainable Futures
		Manchester Environmental Research Institute	
		Sustainable Consumption Institute	
University of Warwick		Warwick Environmental Systems Interdisciplinary Centre	
		Institute for Global Sustainability Development	
University of Bristol		Cabot Institute for the Environment	
University of Glasgow	Centre for Sustainable, Healthy and Learning Cities and Neighbourhoods		Environmental Statistics
	College of Social Sciences		

	Scottish Centre for Ecology and The Natural Environment		
	Scottish Universities Environmental Research Centre		
	The Boyd Orr Centre For Population and Ecosystem Health		
	The Centre for Sustainable Solutions		
University of Birmingham	Birmingham Centre for Energy Storage		Energy Materials Group
	Birmingham Centre for Environmental and Energy Economics and Management (BCEEEM)		Environmental Sciences research
	Birmingham Energy Institute		Recyclable & Renewable Energy Storage and Transformation (REST) Group
			The Birmingham Institute of Forest Research (BIFoR)
			Thermal Energy Conversion and Storage Group
Queen Mary University of London	Centre for Aquatic and Terrestrial Environment	Materials Research Institute	
	Centre for Globalisation Research (CGR)		
	Centre for Urban Transport Technology		
University of Sheffield	Advanced Resource Efficiency Centre	Energy Institute	
	Centre for Energy, Environment and Sustainability	Institute for Sustainable Food	

	Sheffield Water Centre	The Sheffield Institute for International Development	
	The Grantham Centre for Sustainable Futures		
University of Southampton	GeoData	Southampton Marine and Maritime Institute	Ecology and Evolution
			Energy and Climate Change
			Environmental Change and Sustainability (ECaS)
			Plants and Food Security
			Water and Environment
University of York	Biorenewables Development Center	Environmental Sustainability Institute	
	Green Chemistry Center for Excellence	Stockholm Environmental Institute at York	
	Interdisciplinary Global Development Center		
Lancaster University	Center for Mobilities		
Durham University		Energy Institute	
University of Nottingham	Center of Sustainable Chemistry		
	International Center for CSR		
University of Leeds	Biodiversity Lab Program		Applied Geophysics

		Atmospheric and Cloud Dynamics
		Atmospheric Chemistry and Aerosols
		Automation
		Basin Structure
		Business and Organisations for Sustainable Societies
		Centre for Spatial Analysis and Policy
		Climate Change Adaptation, Vulnerability and Services
		Climate Science and Impacts
		Cohen Geochemistry
		Deep Earth
		Digestion and Delivery
		Digital Futures
		Ecology and global change
		Economics and Policy for Sustainability
		Energy
		Energy and Climate Change Mitigation

		Environment and Development
		Food Colloids and Soft Matter at Interfaces
		Food Safety, Food Security and Global Health
		Functional Biopolymers for Food and Health
		Geodynamics and Tectonics
		Global South
		Human Nutrition and Lifestyle
		Novel Food Design and Processing
		Nutritional Epidemiology
		Obesity, Cancer and Metabolic Disease
		Ores and Mineralisation
		<u>Paleo</u>
		Petrophysics and Geomechanics
		Rail
		River Basin Processes and Management
		Rock Mechanics, Engineering Geology and Hydrogeology

			Rocks, Melts and Fluids
			Sedimentology
			Social and Political Dimensions of Sustainability
			Social Justice, Cities and Citizenship
			Virtuosity
			Volcanology
University of Sussex	Centre for Coastal Research (CCR)	Climate@Sussex	
	Centre for Global Political Economy	Sussex Energy Group	
	Centre for Poverty and Inequality Research	Sussex Sustainability Research Programme (SSRP)	
	Centre for World Environmental History		
	Social, Technological and Environmental Pathways to Sustainability Centre		
University of Liverpool	Centre of Excellence for Sustainable Food Systems		Ecology and Marine Biology
	Heseltine Institute for Public Policy, Practice and Place		Environment, Sustainability and Technology
	Stephenson Institute For Renewable Energy		Environmental Change
			Oceans and Climate

			Planning, Environmental Assessment and Management
University of Leicester	Centre for Sustainable Work and Employment Futures		Sustainability and the Environment
	Centre for Environmental Health and Sustainability (CEHS)		
University of Exeter	Collaborative Centre for Sustainable Aquaculture Futures (SAF)	Environment and Sustainability Institute	Climate Dynamics
	Centre for Energy and the Environment	Land, Environment, Economics and Policy Institute	Deep Time Global Change
	Centre for Water Systems		Electrical Power Systems
	Centre for Ecology and Conservation in Cornwall		Energy Policy
	The Centre for Future Clean Mobility		Energy Storage
	The Centre for Geography and Environmental Science		Environmental Mathematics
	The Exeter Centre for Circular Economy (ECCE)		Exeter Climate Systems
			Exeter Energy, Environment and Economy
			Mining, Environment and Society
			Offshore Renewable Energy
		Renewable Energy Research	

			Responsible Mining
			The Solar Energy
University of Aberdeen	Centre for Energy Law	Northern Rivers Institute	Fluid Mechanics Research Group
	Centre for Energy Transition	The Rowett Institute	Petroleum Engineering Research Group
	Centre for Global Development		
	Centre for Transport Research		
	Green Economy Research Centre		
	Leverhulme Centre for Doctoral Training in the Sustainable Production of Chemicals and Materials		
	The North Theme		
Newcastle University	Policy, Ethics and Life Sciences		
Cardiff University		Energy Systems	
		Sustainable Places	
		Water	
University of East Anglia	Center for Ecology, Evolution and Conservation		Climate Change Group

	Center for Ocean and Atmospheric Sciences		Climatic Research Unit
	Center for Social and Economic Research for Global Environment		Environmental Biology Group
	Tyndall Center for Climate Change Research		Environmental Resources and Conflict
	Water Security Research Center		Global Environmental Justice Group
			Globalisation and Corporate CSR
			Plant Sciences Group
			Science Society and Sustainability
Queen's University Belfast	Center for Sustainability, Equality and Climate Action		
	Energy, Power and Intelligent Control		
	Knowledge Exchange, Spatial Analysis and Healthy Urban Environments		
University of Bath	Center for Infrastructure, Geotechnical and Water Engineering	Institute for Sustainable Energy and Environment	Sustainable Energy Research Team
	Center for Natural Resource Extraction, Sustainability and Social Justice		
	Center for Research & Design of Environments		
	Center for Sustainable & Circular Technologies		
	Public and Environmental Economics		

	Sustainable Living		
	Water Innovation & Research Center		
University of Dundee	Centre for Water Law, Policy and Science	Dundee Ocean and Lake Frontiers Institute and Neutrals (DOLFIN)	Architecture and Urban Planning
		Geddes Institute for Urban Research	Geography and Environmental Science
			Law
University of Reading	Centre for Past Climate Change		Climate Research Division
	The Reading Centre for Climate and Justice		Environmental Science Research Division
			Polar Research Group
			Radiation Group
St George's University of London		Population Health	
University of St Andrews		Bell Edwards Geographic Data Institute (BEGIN) Bell Edwards Geographic Data Institute (BEGIN)	Environmental Change Research Group
		Institute for Population, Wellbeing and Environment Research (I-POWER)	Geographies of Sustainability, Society, Inequalities and Possibilities (GOSSIP) research group
		Scottish Oceans Institute (SOI)	

		St Andrews Sustainability Institute (SASI)	
University of Surrey	Centre for Environment and Sustainability		Environmental Regulatory Research Group
	Centre for Environmental Health and Engineering		Water Environment and Health Engineering Group
	Centre for Sustainability and Wellbeing in The Visitor Economy		
	Surrey Centre for International and Environmental Law		
	The Centre for The Understanding of Sustainable Prosperity		
Swansea University	Center for Health and Environmental Research and Innovation		
Anglia Ruskin University			
University of Essex	Center for Environment and Society		
	Essex Plant Innovation Center		
University of Kent	Center for Biocultural Diversity	Durrell Institute of Conservation and Ecology	
	Center for European Agri-Environmental Economics		
Royal Holloway University of London	Center for Research Into Sustainability		
	Ecology, Innovation and Behaviour		

	Plant Molecular Sciences
